The authors would like to correct the published article [1]:
On page 9, Figure 4a should be changed from

(a) Categorized noise events during Day 1

to the following correct version:

(a) Categorized noise events during Day 1

The authors apologize for any inconvenience this may have caused readers. The changes do not affect the scientific results of this paper. The manuscript will be updated, and the original version will remain online on the article webpage, with a reference to this Correction.
